

Summary of SUT-UBI Presentation
NSTDA Annual Conference 2006

TBI (Technology Business Incubator) has been established since 2005, June under the name “Suranaree University of Technology-University Business Incubator, SUT-UBI”. The SUT-UBI is located at Surapat 1 building as a part of the existing Technopolis within the university. The office hours are 08:30 – 16:30 PM from Monday to Friday but twenty-hour access is available for all incubatees. The SUT-UBI manager is responsible for running the SUT-UBI which is directly overseen by the director and the board of Technopolis. The SUT-UBI focuses on three main target groups of business, namely, 1) Automotive industrial and transport machinery, 2) ICT and Electronics and 3) Agricultural and food processing.

The policy of the SUT-UBI is as follows:

- One year pre-incubation
- Three year incubation period
- Rentable area: 28 m² per unit (or on request)

Currently, the SUT-UBI has 2 incubatees and 10 pre-incubatees.
